P&C Meeting
Thank you everyone for the great turn out to our first P&C meeting for the year to discuss the Bunnings BBQ, Kids in the Kitchen and Canteen. Please find attached minutes of the meeting. Thank you.

Small School Swimming Carnival
Thursday was a great day to spend at the pool for our Small School’s Swimming Carnival. Students from the 3-6 class participated in events ranging from 25 metre events through to the 200 metre individual medley (2 laps each of butterfly, backstroke, breaststroke and freestyle). Participation, support and comradery were evident all day long. Supervising our students, with the help of Robyn, was made easy by their exemplary behaviour. I would like to thank those parents and grandparents who transported children to and from the event.
Ms Anforth

Bunnings BBQ
This coming Saturday 13th February is the Bunnings BBQ. Thank you to everyone who has offered help on the day. Please see the attached minutes for times and information. Here’s hoping for a great day of fun and a big profit.

Change of details notification
Please ensure that you let the office know of any changes to mobile phone numbers or addresses. It is very important that we have up to date details for all our families. Thank you.

Kids in the Kitchen Program
The Kids in the Kitchen program started with a bang last Monday. We had Anzac biscuits for recess made by the K-2 class, chicken and coleslaw wraps for lunch made by the 3-6 class and a homemade juice icy pole. The next Kids in the Kitchen (KIK) will be Monday 15th February. Staff would like all students to participate in this life skills program. The cost is $5 per fortnightly and can be paid fortnightly or in a lump sum of $25 for the term.
Term 1 – Week 3

Remember this program is directly linked to our 2015 – 2017 School Plan, Strategic direction 3 – Sustainability, Project 1 – to promote, build and sustain the Life Skills program running in the school:

✔ Planning regular Kids in the Kitchen sessions across the school and in coordination with Kids in the Garden program; and
✔ Scheduling planting and harvesting of garden produce being utilised in the Kids in the Kitchen program.
